Subject: Form Submission - TPC Review
Date: Saturday, 9 May 2020 12:15:22 PM

Name: Chris and Kay Harman

Your Submission to the TPC Review: WE WISH TO MAKE A SUBMISSION TO THE REVIEW OF THE TASMANIAN PLANNING COMMISSION (TPC) AND RESPECTFULLY LODGE (BELOW) THE RECOMMENDATIONS PROPOSED BY THE TASMANIAN CONSERVATION TRUST WHICH WE FULLY SUPPORT. WE OWN 65 ACRES WHICH WE ARRANGED TO HAVE PUT UNDER CONSERVATION COVENANT IN 2006 AND ARE CONCERNED TO DEFEND THIS LAND AND OTHER SIMILARLY PROTECTED AREAS FROM NON-TRANSPARENT DECISION-MAKING PROCESSES UNDULY INFLUENCED BY GOVERNMENT.

WE THINK THIS CONCERN IS ESPECIALLY PERTINENT AT A TIME WHEN WE ARE INCREASINGLY AWARE GLOBALLY THAT HUMANS HAVE SUPPORTED PRACTICES THAT ARE ECOLOGICALLY UNSUSTAINABLE INSTEAD OF USING EXPERT ADVICE AND SCIENTIFICALLY VERIFIABLE INFORMATION TO INFORM LONG TERM PLANNING:

THE TPC MUST HAVE ITS INDEPENDENCE MAINTAINED, BROADENED AND STRENGTHENED

RECOMMENDATIONS

- The TPC must retain its capacity to perform its current functions independently of government.
- The TPC's power to act independently of the government should be expanded. The TPC should be given the power to make and amend the Tasmanian Planning Scheme.
- The TPC's governance should be free from Ministerial influence, and no changes should be made that undermine the public perception of the independent operation of the TPC.

THE TPC MUST MAINTAIN ITS FUNCTION IN POLICY DEVELOPMENT

RECOMMENDATIONS

The TPC must:

- Retain its existing role to review and hold hearings on representations, and report to the Minister on draft State Policies and amendments.
- Retain its existing role to report to the Minister for Planning regarding Draft Tasmanian Planning Polices and to amend any planning scheme to be consistent with a those policies.
- Restore its role as the body responsible for making planning scheme controls and amendments by making the TPC the decision-maker for State Planning Provisions and removing Ministerial oversight for Local Provisions Schedules. This would provide the TPC with an important role in influencing planning policy.

THE TPC SHOULD DEVELOP TASMANIA'S REGIONAL LAND USE STRATEGIES

RECOMMENDATIONS

- Legislation should be changed to give the TPC the responsibility to develop, amend and approve Regional Land Use Strategies with public notice and hearings.

THE TPC MUST MAINTAIN ITS FUNCTION OF ASSESSING PROJECTS OF STATE AND REGIONAL SIGNIFICANCE

RECOMMENDATIONS

- The TPC must retain its existing responsibility to assess projects of State significance e.g. major projects like Gunns Pulp Mill and Ralphs Bay, and to provide advice and recommendations to the Minister.
- The role of the TPC in assessing and approving projects of State and regional

significance through existing processes should not be undermined e.g. through the draft Major Projects Bill.

THE TPC MUST RETAIN ITS FUNCTION OF REVIEWING NATIONAL PARK AND RESERVE MANAGEMENT PLANS

RECOMMENDATIONS

- The TPC's role in independently and transparently reviewing reserve management plans must be retained and legislation should be amended to clarify that the TPC may make recommendations for changes to reserve management plans.

STATE OF THE ENVIRONMENT REPORTING SHOULD REMAIN WITH THE TPC

RECOMMENDATIONS

- The problems with State of the Environment (SoE) reporting identified by the TPC in 2013 (and reconfirmed in 2018) should be addressed and the TPC should continue to produce SoE reports each five years. These reports are vital for a range of reasons, including informing good planning.

THE TPC MUST BE PROPERLY FUNDED

RECOMMENDATIONS

- Properly fund the TPC to allow it to carry out existing statutory roles, including the State of Environment Report and new State Policies.
