Subject: Disclosure of donations and capped donations
Date: Friday, 15 February 2019 8:43:16 AM

To whom it may concern,
I support

- **A fixed disclosure threshold of \$1,000, to be calculated cumulatively over a whole party group;**
- **Online, continuous real-time disclosure to the Australian Electoral Commission of donations to political parties, candidates and associated entities;**
- **Public funding of election campaigns like the Commonwealth and other States;**
- **A cap on expenditure for individual candidates and parties in House of Assembly elections;**
- **Corresponding regulation of the political activities of third parties and associated entities;**
- **A donation cap of \$3,000 aggregate per donor, per parliamentary term; and**
- **Banning donations from all corporate donors. At a minimum donations from property developers, tobacco, liquor and gaming industries and be banned. The Tasmanian Greens also support banning donations from foreign interests.**

Yours sincerely,
Essie Davis
