

## Attachment A – WorkSafe Tasmania Inspectors staffing information

The average mean length of service for all WorkSafe Tasmania Inspectors employed as at the dates:

- a. 1 July, 2023
- b. 1 July 2019
- c. 1 July 2014

Date	Average months as WorkSafe Tasmania Inspector
1 July 2023	71
1 July 2019	108
1 July 2014	102

The attrition rate for all WorkSafe Tasmania Inspectors employed as at the dates:

- a. 1 July, 2023
- b. 1 July 2019
- c. 1 July 2014

Date	Attrition rate for WorkSafe Tasmania Inspectors (%)**
1 July 2023	-15.38%
1 July 2019	2.56%
1 July 2015*	-7.84%

\* Note: 1 July 2015 has been used due to the availability of historic establishment records and a baseline established at July 2014.

\*\*The percentage change reflects the change in numbers of WorkSafe Tasmania Inspectors (Inspectors) (headcount) between the year before and the requested year – i.e. 2.56% for 1 July 2019 reflects an increase in the number of Inspectors between 1 July 2018 and 1 July 2019, whereas between 1 July 2022 and 1 July 2023 a reduction of 15.38% in the number of Inspectors.
