---

**Name:** Beverly Waldie

**Your Submission to the TPC Review:** The TPC's governance should be free from Ministerial influence, and no changes should be made that undermine the public perception of the independent operation of the TPC. It is my belief that all decisions involving public land need to be transparent and undergo a fair and impartial review system. To do this effectively the TPC must remain independent of any and all government parties. The TPC is a vital part of Tasmania's planning future.
