Subject: Form Submission - TPC Review
Date: Wednesday, 13 May 2020 2:00:33 PM

Name: Carole Edwards

Your Submission to the TPC Review: I write to make a submission go the review of the Tasmanian Planning Commission.

Please note my recommendations below.

1. The TPC must retain it's independent role. This role must be strengthened and not diluted by any political parties needs of the day.
2. The TPC must be allowed to develop policies and develop strategies for regional land use. This, without interference from the government of the day.
3. The TPC must be allowed to assess projects of state and regional significance.
4. The TPC must be adequately funded if it is to perform it's role for Tasmania.
5. This unique island state needs professional, educated environmentalists with the highest planning experience to sit on the TPC. Politicians of any party must not be allowed to reduce the environmental value of this special island.
