**Your Submission to the TPC Review:** I write to make a submission to the review of the Tasmanian Planning Commission.

The TPC must retain its capacity to perform its current functions independently of government.

The TPC's governance should be free from Ministerial influence, and no changes should be made that undermine public perception of independent operation.

The TPC should retain its existing role to review and hold hearings on representations, and report to the Minister on draft State Policies and amendments.

The TPC should retain responsibility to assess projects of State significance and to provide advice and recommendations to the Minister.
