Subject: Proposed protest legislation
Date: Wednesday, 22 September 2021 8:10:31 AM

Good morning

I write to express my concern about the Workplaces Protection from Protesters Amendment Bill. Protest has been fundamental to evolving human rights protections eg. the right to vote, and to environmental protection eg. the Franklin River. I do not support this Bill and wish to endorse the submission put forward by the Greens Party.

Thank you

Sonia Caton
