Your Submission to the TPC Review: Dear Sir,

I am opposed to the Major Projects Proposed Legislation for the following reasons,

- 1 It weakens the independence of the Planning Commission
- 2 The likelihood of corruption or by the Minister responsible for Planning is assured,
3. Policelink donations to political parties will allow developers to “buy” approvals from the minister.
- 4We have no independent Integrity Commission to pursue corruption.
- 5 It weakens the communities democratic rights!
- 6 Takes local,decision making away from local government.

I urge the government to withdraw this right wing corrupt legislation and return to democratic processes via the Independent Planning Commission!

Cheers,
Bill Manning
