Subject: Form Submission - TPC Review
Date: Thursday, 7 May 2020 8:29:46 AM

Name: Jan Hunt

Your Submission to the TPC Review: The TPC review must ensure that this body is the key to decision making. The TPC must be independent of government. Its purpose is to provide expert, independent advice.

The TPC must be able to assess projects of state and regional significance to provide advice and recommendations to the Minister and this should not be undermined through the draft Major Projects Bill.

The Minister should take advice from the planning professionals not his greedy mates who are concerned about their own economic benefits not what is best for the people of Tasmania.

Surely what we have learnt from COVID 19 is that we need to live more simply in a caring relationship with our communities and environment.
