Dear Sir/Madam

I am writing a submission regarding Tasmania's Democracy. I have just read the Interim Report and i personally feel the Government's donation limit over \$13,8000 is too much and its feeding the tobacco, liquor industry and gaming venues and its damaging families and causing health problems and costs for living and for food. I personally feel that all tobacco and liquor outlets and gaming venues in pubs and clubs should all be banned everywhere. The Government and Labor should be supporting Tasmanians and protect us from all of these problems and Support the Greens.

I support the Tasmanian Greens on there submission Report and they care about Tasmanians.

Hopefully the Liberal Government will change the donation limit.

Thank You

Sara Dane
