Registration Category Details, 4. Employment Details, 5. Relevant History, 6. Supporting Docs, 7. Review, 8. Declaration (current step), and 9. Confirmation and payment. I acknowledge that personal information provided in the application process may be disclosed to the Department of Justice or equivalent agency (including contractors or related bodies corporate) located in Australia or overseas for administrative purposes, including for maintaining a national registration database. 10. I acknowledge that personal information may be disclosed to Australian Police Agencies for use for their respective law enforcement purposes including the investigation of any outstanding criminal offences. 11. I acknowledge that while the Registration to Work with Vulnerable People scheme is in force, Tasmania Police may store relevant personal information in the Tasmanian Police database (whether or not a person has a criminal record). 12. I acknowledge that new criminal history information or misconduct reports received by the Department of Justice while the Registration to Work with Vulnerable People system is in force may be used to reassess a registration status. 13. I acknowledge that if I request a review of a decision by the Department of Justice regarding an application for Registration to Work with Vulnerable People, any information that was used in the assessment of that application may be made available to an expert, a tribunal or court in relation to the review of the decision. 14. I acknowledge that it is an offence under the Registration to Work with Vulnerable People Act 2013 for a person required to be registered to be engaged in a regulated activity without a valid registration. If an application is withdrawn or refused, or if a registration is surrendered, suspended or cancelled, then I may not be legally able to work with vulnerable people. 15. I acknowledge that application fees are non-refundable. Below the statements, there are two checkboxes: ☐ I have read and understood this information, and I consent to the conditions above. ☐ I understand that the Department of Justice may notify my employer that my National Police History Check (NPHC) does not contain any criminal history information about me if:

- I am an employee or volunteer of a Tasmanian government agency.

 At the bottom, there are 'Previous' and 'Submit' buttons.

Please continue to **step 9** on the next page.

9

Confirmation
and payment

The final step of your online application is important. Make a note of your application reference number and download your renewal receipt.

Check whether there are any outstanding actions you need to complete, such as paying the application fee or verifying your identity. Any required actions and their due dates will be listed on this page.

The screenshot shows the 'My Registrations' page on the Department of Justice's MyRWVP portal. A progress bar at the top indicates 9 steps: 1. Personal Details, 2. Applicant Details, 3. Registration Category Details, 4. Employment Details, 5. Relevant History, 6. Supporting Docs, 7. Review, 8. Declaration, and 9. Confirmation and payment (the current step). Below the progress bar, a note states: '(*) Denotes mandatory field. Thank you for completing the first stage of your application for RWVP.' The main heading is 'Finalising an application'. It instructs users to either 'Download the Renewal Receipt and Print It; OR' or 'Write down the Application Reference Number: 929875565'. Under 'Completing your Renewal', it lists '1. Pay outstanding fees of \$133.70' with a sub-note: 'This can be done through My Registration or at any Service Tasmania branch'. A warning states: 'Your application has some remaining actions as mentioned above. If you do not complete them, your application will NOT be processed.' The section 'When must I do this by?' specifies a 21-day deadline. A final note mentions that if identity is verified in person at a Service Tasmania centre, original documents or certified copies must be brought.

No outstanding actions?

If you **do not** have any outstanding actions, your renewal application is complete and you do not need to do anything further.

Outstanding actions?

If you **do** have outstanding actions, it is important that you complete them by the due date. For example, if you have to pay any outstanding fees, you can do this through your MyRWVP account (or at any Service Tasmania service centre). If you do not complete them within the due date, **your renewal application will not be processed.**

End of Part 1

This completes Part 1 of the renewal process.

You can now log out of MyRWVP and log in to your [myServiceTas](#) account.

Continue to the next page for **Part 2** of the renewal process.

Part 2: Verify your identity

This section explains how to verify your identity through Service Tasmania.

Important: You must complete this part to finalise your RWVP renewal application.

If you have an outstanding action to verify your identity, you must complete Part 2 within 21 days of submitting your application to complete your renewal.

If you do not verify your identity within this timeframe, your application will expire and cannot be processed. If this happens, you will need to submit a new application.

Choose how you would like to verify your identity

There are 2 ways to verify your identity through Service Tasmania as part of your RWVP renewal.

Option 1: Verify your identity online

Log in to your [myServiceTas](#) account using your mobile or desktop and complete the RWVP identity verification process online.

Option 2: Visit a Service Tasmania service centre

Visit a Service Tasmania service centre to verify your identity in person.

Make sure you bring the proof of identity documents you selected during your online application.

Not sure which option is right for you? Read on to learn more about both identity verification options and choose the one that best suits your needs.

Option 1: Verify your identity online

To verify your identity online, you must have a [myServiceTas](#) account.

If you do not already have a myServiceTas account, you can create one through the [Service Tasmania website](#). Simply enter your personal details and verify your email address.

If you already have an account, log in and complete the online identity verification process using:

- the myServiceTas mobile app, or
- the myServiceTas website on a computer with a camera.

You **cannot** verify your identity online if:

- you have **not** paid your registration fee online while you were completing your application through MyRWVP
- all your identity documents **do not** have the same name as your RWVP card. If your names differ, you will need to go into a Service Tasmania service centre (option 2) to verify your identity.

After logging in to your myServiceTas account, click '**RWVP identity verification**':

- on a computer, find it under '**All services**'
- in the mobile app, select it from '**Linked services**'.

If RWVP is not already linked in the app, select '**Link a service**' and then '**Registration to Work with Vulnerable People**'.

Download the myServiceTas app
