**Your Submission to the TPC Review:** I would like to make a submission to the review of the Tasmanian Planning Commission.

The role of the TPC must not be watered down.

The TPC is a body of independent experts that we need, to move us forward, for a fair and democratic Tasmania.

I love to see cities changing but not with the mentality that bigger, brighter and shinier is better.

National Parks should not be for sale.

After extensive travelling I realise Tasmania is a rare gem that needs the utmost care moving forward.

Please maintain and strengthen the TPC, not the reverse.

Thankyou
