Subject: Form Submission - TPC Review
Date: Friday, 15 May 2020 4:09:28 PM

Name: Carol Bristow

Your Submission to the TPC Review: The Government should not be using this time of Covid 19 society to put through legislation in a secretive manner; it has not been reviewed and scrutinised by the public and relevant authorities.

The TPC must have its independence maintained; it must retain its capacity to perform its current functions independently of government and free of ministerial interference.

The TPC must retain its existing role to review and hold hearings on representations, and report to the Minister on draft State Policies and amendments.

The TPC must develop Tasmania's Regional land Use Strategies recommendations and maintain it's role of assessing projects of state and regional significance.

And of course the TPC must be properly funded to carry out it's role effectively.
