**Your Submission to the TPC Review:** In my personal experience of planning matters in my local community, I believe that my neighbours and I have received a full and fair hearing from the TPC and RMPAT. I have, by and large, confidence in their independence and view with concern proposals to bypass them or make their decisions subject to ministerial and political influence. I also believe that the TPC, through public hearings and consultation, should have a wider role in State Planning Provisions, Regional Land Use Strategies and reserve management plans, and should be adequately resourced to do so.
