I am strongly opposed to this draconian law.

We the people should have a right to protect our land, waterways, forests, animals, insects, trees, wildlife and bush.

Peaceful protest allows us to have a voice. Violent protests should be banned, but peaceful protest is a part of a healthy democracy.

If a coup goes into our native bush and cuts down native old growth trees, who is going to stop them? Who makes them accountable to the destruction?

Peaceful protest is incredibly important.

Workplaces (Protection from Protesters) Amendment Bill 2021: I do not agree with this law.
