Electoral Amendment Bill 2019

Thank you for providing the Tasmanian Electoral Commission (TEC) with the opportunity to make a submission in relation to the *Electoral Amendment Bill 2019*.

The TEC supports the Bill, which contains a number of amendments to address issues that have been identified in relation to

- recent changes to Australia post delivery times,
- modern election campaigning, and
- administrative issues identified during Tasmanian elections or in preparation for the review of the *Electoral Act 2004*.

The TEC would be happy to provide technical advice, if required, in relation to preparation of any accompanying documentation.
