Subject: Submission on the Workplaces (Protection from Protesters) Amendment Bill 2019
Date: Saturday, 2 March 2019 11:31:43 AM

Dear Will and the Tasmanian Government

Tasmania is prospering because the people fought to keep our wilderness and our environment balanced. This is not about political parties, the Libs, the Labour group or the Greens. We are the people and so are you. It is difficult enough to fight those that have deep pockets to psychologically analyse the population, create advertising campaigns that are systematically designed to create fear and division when all of us care about the future, if given a chance to 'think'! Including you.

You know this is wrong!

You know that you leave us helpless with these poorly drafted rules created at the behest of those that care about their profits from afar!

I know this submission is meant to address the legal jargon, the people behind this have the resources, I don't.

I vote and I pay taxes! Represent me and the people of Tasmania and the fauna and flora of our State. It will make you feel better!

cheers

Sandy

Yours sincerely,
Sandra Garland
